

CYBER NAVIGATOR PROGRAM

ONGOING SUPPORT

The Cyber Navigator Team is researching new ways to help Election Authorities, we would appreciate your feedback. Please select as many options from the below list as you like.

Name:

My county or city:

I am interested in learning more about:

Physical security walk through and recommendations

Services to protect my webpage

Interactive email phishing training

Obtaining secure email and webpage domains with .gov or .us

Vulnerability scanning

Ideas on how to spend the HAVA grant funds

Sponsoring my vendors to sign up for EI-ISAC and STIC services

Help signing up for a HSIN account before the elections

Cybersecurity best practices for my office

Other:

CYBER ATTACKERS

WON'T STOP

NEITHER WILL WE
